

## Invitation to the Annual AEC International Regulatory Conference 2017

Dear Madam/Sir,

I have the great honor to invite you to the Annual International Regulatory Conference (IRC) which will be held in Ohrid, Republic of Macedonia, from 24 to 26 May 2017 and hosted by the Agency for Electronic Communications. IRC 2017 conference will be held back to back with SEEDIG 2017 meeting, so the intention is to create synergies between the two events, and bring the two communities together in discussions on topics of common interest. You may find more information about SEEDIG on the following link <http://www.seedig.net/>.

For the fifth year, the Agency for Electronic Communications will hold an International Regulatory Conference with an aim to encourage public discussion on issues concerning the latest technological developments in the ICT sector. Local institutional partners for organizing this event are Ministry of Information Society and Administration and Macedonian Academic Research Network (MARnet). Distinguished personalities, both Macedonian and internationals are invited including Governmental representatives, Regulatory Authorities, ITU officials, European Union officials, operators, manufacturers as well as key persons in the Macedonian and global electronic communications market.

The Annual AEC International Regulatory Conference 2017 is planned to be organized as a three-day event and will take place in Hotel "Metropol" in Ohrid, Republic of Macedonia. I sincerely believe that this Conference will provide a great platform for having meaningful dialogue between all stakeholders and an excellent ground to exchange views on topics of common interest by sharing knowledge and experience.

Confirmation of participation can be made on the following link <http://www.aek.mk/en/about-us/events/irc-2017> latest by 10th of May 2017. On the same link you may find information about draft Agenda, logistical and practical information for the event. During registration please specify whether you want a slot for presentation as well as session in which you want your presentation to be included. So far we have available slots for following sessions: Market review with a focus on NGA networks, OTT services - challenges and safeguarding the net neutrality and 5G -Future of Mobile Networks.

Participants wishing to hold presentations are welcomed to send their proposals latest by 10 May 2016 for the attention of Ms. Dragica Lepavcova by email: [dragica.lepavcova@aec.mk](mailto:dragica.lepavcova@aec.mk)

I hope that you will be able to participate and make a valuable contribution to the Annual AEC International Regulatory Conference 2017.

Looking forward to welcoming you in Ohrid.

Yours Sincerely,

Sasho Dimitrijoski

Director
